
Enjoy your walk and thank you for respecting the countryside!

✓ Pick up dog droppings

Dirty grass and hay can endanger the health of livestock.

✓ Keep your dog on a leash

To avoid disturbing herds and to prevent accidents.

✓ Do not disturb or frighten herds

Cows protect their calves. Keep your distance and stay calm!

✓ Respect fences and close gates

To prevent animals from escaping and ending up on the road.

✓ Do not throw your trash in nature

Debris in animal feed can make livestock sick. Cans shredded by farm machinery are dangerous for our animals.

✓ Do not park just anywhere

So as not to block farm machinery and not damage crops.

✓ Respect agricultural traffic

To prevent accidents, let farm machines pass by moving to the side of the road.

✓ Do not walk across meadows and fields

Not on foot, horseback, or by bicycle, in order not to damage crops and to preserve biodiversity.

✓ Do not pick fruits and vegetables

Please respect the harvest and the work of farming families.
